### Illuminating Glow Worms

These party lights of nature can be an adventure for all the family. Nightly these tiny larvae put on a show to leave you amazed. There are special guided walks held during the school holidays, or you can take off on your own with a good torch. You may even spot a wombat going about his business along the Glow Worm Glen Track.

### Walk In A Bushranger's Footsteps

A secret bushwalking track at Hill Top is The Starlight Track, the path to the legendary valley hideaway of the aristocratic bushranger Captain Starlight, from Bolderwood's novel *Robbery Under Arms*.

### Australia's First Ironworks

### German Internments at Berrima

During WWII, the Berrima Gaol was home to a number of German internees. A wonderful interactive exhibition of their lives can be seen at the Berrima District Museum. Not all prisoners are bad... an interned German prisoner of war, reputed to be an industrial chemist pointed out that the surrounding region of Berrima had good deposits of shale, coal and limestone which provided the ideal situation for a cement works. As a result the current Boral Cement Works Berrima was developed in 1920.

You can dine on such delicacies at various Southern Highland restaurants amongst other great produce. Tours are available at different times throughout the year.

Recycling to the max. Visit the French Provincial styled Mt Ashby Estate Cellar Door just outside Moss Vale, and you'll also find the old EF Davis & Son Produce Hall relocated in 2001, it was built in 1921 and originally located in Banyette Street, Bowral (now the home of Aldi Bowral). It's new life at the Mt Ashby Estate sees it operating as Sally Beresford Antiques & French Farmhouse Tables, filled to the brim with wonderful treasures.

### Mary Poppins Birthplace

Why is Bowral the birthplace of Mary Poppins? Research shows that the Mary Poppins character was created in the imagination of Helen Lyndon Goff (later to change her name to P.L. Travers) while she was a teenager living with her family in Bowral during the period 1908-1917. Bowral proudly displays a stunning bronze Mary Poppins statue in Glebe Park and it is often a topic of conversation that with the change of seasons, the statue actually moves...

The Southern Highlands can boast not one, but two Principalities within it's Shire boundaries. The first is Lairds Corner at Robertson, better known as The Famous Robertson Pie Shop, and the second is the Principality of Dubledeker or Braemar Lodge as it is better known, located just outside Mittagong in Braemar and previously operated as a Guesthouse.
